

Inelastic cross section discrepancy

January 25, 2012

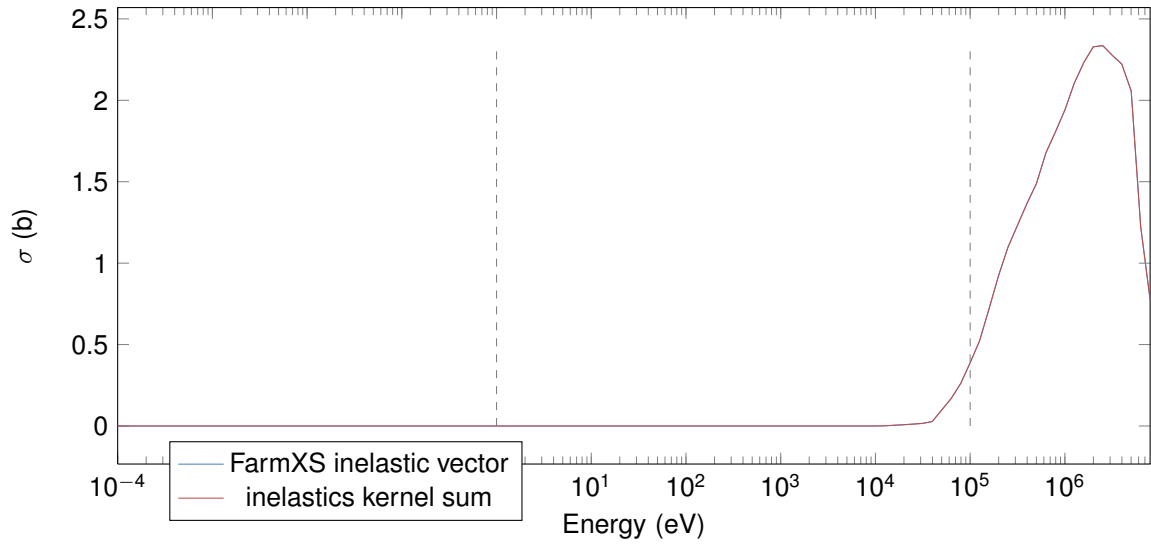

Figure 1: Energy dependent inelastic vector for ZAIID 92235, generated by FarmXS and inelastic kernel (MTs 51 through less than 91) generated by FarmXS.

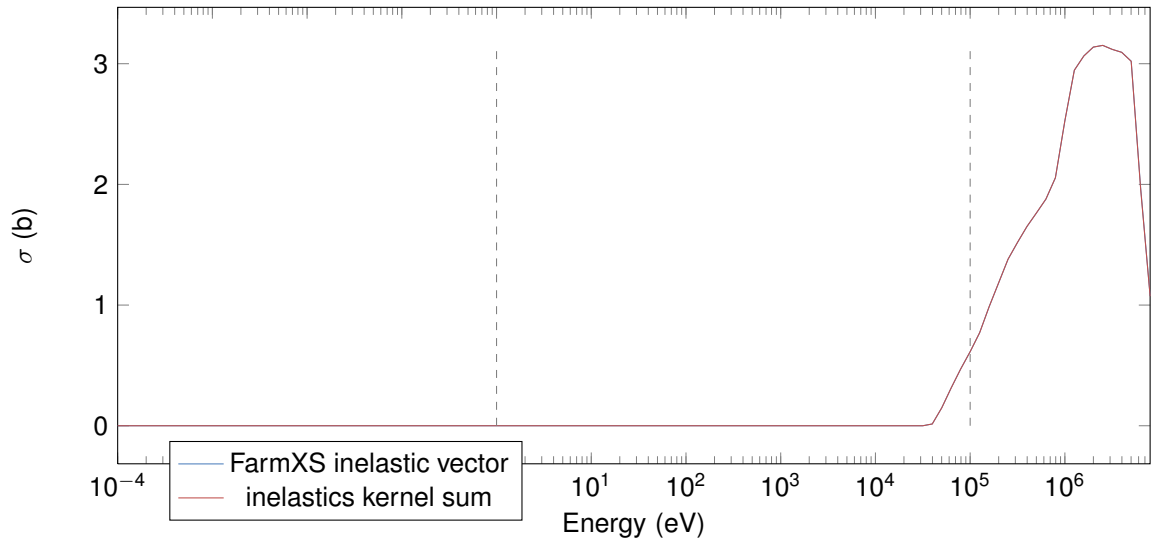

Figure 2: Energy dependent inelastic vector for ZAID 92238, generated by FarmXS and inelastic kernel (MTs 51 through less than 91) generated by FarmXS.

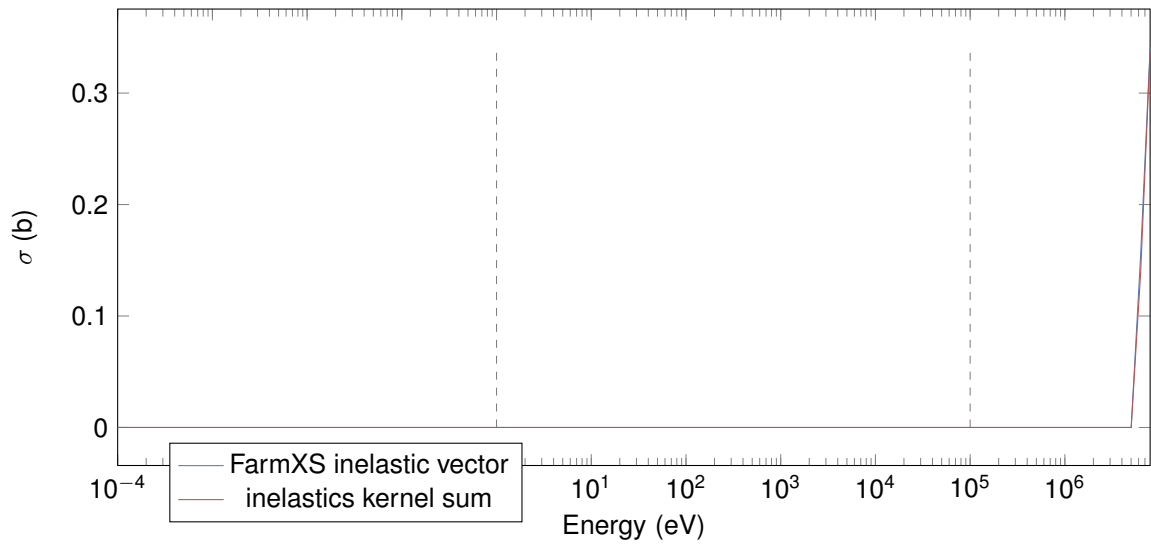

Figure 3: Energy dependent inelastic vector for ZAID 8016, generated by FarmXS and inelastic kernel (MTs 51 through less than 91) generated by FarmXS.
